

Health and Safety Training for Catering Services

Was ~~£750~~
NOW ONLY £495

Produced last year for school catering, the film production was jointly created by Solutions SK, Trafford Borough Council and Spiral Static Productions.

Using the vast Health and Safety experience of Stockport and Trafford kitchens, this production was shot at a variety of locations to ensure we covered different safety issues in diverse environments. The film is aimed at reducing accidents and subsequent related costs in kitchens.

It has already reduced accidents in our kitchens.

We believe there is nothing else like this DVD on the market. It is comprehensive, and covers all aspects of school catering, with most of the content also universal to the catering industry.

The DVD is a valuable asset to any kitchen. We are able to offer this unique product to you for a fraction of the cost of creating your own version.

With approximately 40 minutes of in-depth information, the DVD covers:

- Slips and how to avoid them
- Working with ovens and microwaves
- Dishwashers and washing machines
